

## ABOUT IASO TEA

Iaso™ Tea ingredients are a special blend of 9 safe, natural and edible herbs: Holy Thistle, Persimmon leaves, Malva leaves, Marsh Mallow leaves, Blessed Thistle, Papaya, Ginger, Chamomile, and Myrrh.

This blend allows gentle cleansing of the whole body with just 2 cups per day. Modern processing of foods and the pasteurization of dairy products destroys the enzymes that are necessary to our daily diet in order to support a healthy colon. With Iaso™ Tea, we now can get back to enjoying the perfect poop!

Iaso Tea is like a white tea, a green tea, a weight loss tea, and a great-tasting herbal tea – all wrapped up in a lil' black pouch.

Remarkable things happen when you drink 2 cups of Iaso™ Tea daily.

It's gentle, yet surprisingly powerful. It is used as a colon cleanse, a parasite cleanse, a Candida cleanse, a blood purifier and a whole body detoxifier.

The formula works like a general health tonic and is a home remedy for many ailments listed below.
